Circular letter CEO18/001
To all valued customers

RE: Second line F Series

Recuperator Spa announces the start up of the second line for the F Series fins manufacturing.

This new line increases the production capacity of our F Series heat exchangers and allows Recuperator Spa to assure a 2 weeks delivery term.

We hope our customers will appreciate the new available equipment and benefit from the fast delivery, for an efficient orders management.

Best regards

C. Leone
